

FUMC Youth Ministry Scholarship Application

FUMC Youth Ministry does not ever want finances to be a reason for a student to not go on a trip. We would like to help your student experience Christ through all of our programs and events. We do understand that there are times when there are difficult financial situations and we have scholarship money available to help. It is a blessing to be able to provide this assistance and it is our desire to continue this option in the future. In order for that to be a possibility, we would like for you to fill out this application and return it to Stevie. All scholarship applications are confidential.
