The Youth Ministry of FUMC is on a campaign to raise the value of **bringing your own Bible to church**. I know, I know, we have extra Bibles in the classrooms, but bringing your own Bible can be beneficial in many ways!

If you are bringing your own Bible to church, you obviously know where it is and can use it during the week at home. Also, in your own Bible, you can underline passages studied, use the margins to take notes, and/or have the translation that you like to use. So before you head off to church, grab your Bible!
